What People Say

"Wendy McAllister of Evolution Consulting Group, Inc. is one of the most brilliant marketing and business development minds I've come across. She uses the perfect blend of experience and instinct to deliver high-quality work. In addition, her integrity and devotion to seeing a project through is what keeps her clients coming back for more. I highly recommend her to anyone who wants and needs an organized and thorough plan of action to move forward and evolve their business." -

"Recently my firm aligned with Evolution Consulting Group, Inc. for a promotional project that involved event planning, media outreach and high-level audience development. I was looking for creative ideas, great contacts and a significant amount of resourcefulness. I got all that and more. Wendy McAllister has an amazing wealth of resources and an ability to think through ideas and connect dots that may not be obvious." -
